

Thank you for your interest in becoming a member of the *Junior College Neighborhood Association (JCNA)*. The JCNA is a voluntary organization established to act as a unified voice representing the concerns of all its residents. We are actively engaged in efforts to encourage historic preservation, clean up our neighborhood, make our streets more bicycle and pedestrian friendly, and to create an urban design plan for Mendocino Avenue corridor. We accomplish this through inclusive membership representation, broad outreach programs and collaboration with government, schools, and community groups.

The JCNA is made up of residents, both owners and renters, and businesses located within the boundary areas of Mendocino Ave., Lewis Road, North St., Franklin, Bryden Lane, Fourth St., and College Ave. By joining, you'll be part of our virtual e-mail and web community.

Becoming a member of JCNA lets us know you want your voice heard in the community. Membership grants you voting privileges at JCNA business meetings. Your dues contribute to JCNA support costs, as well as for projects JCNA takes part in throughout our neighborhood.

To become a voting member, please fill out the form below and submit to the JCNA Treasurer. Thank you for your interest and we hope you will join the rest of your neighbors in making our community a better place to live and work by becoming a member.

Types of memberships:

- Individual - for individual persons; voting privileges
- Household - for 2+ person households. All over 18 have voting privileges
- Business & Organizations (business owners or parties doing business in the boundary area)

Voting privileges will not take affect until the next meeting. (This is to prevent loading of meetings.) Memberships run January to December, and must be renewed each year. Those wishing to provide additional financial support to JCNA can include extra donations with their membership application.
